SUBJECT : Study Group from Industrial College  
of the Armed Forces

1. I am pleased that you will again meet with the current student study group of the Industrial College of the Armed Forces which is concentrating on "The Management of Intelligence Resources." Your meeting with the group is scheduled from 1140 to 1200 hours on Friday, 19 April 1974, in Room 6E-0708. I hope you will be able to join the group for lunch in the Rendezvous Room following your presentation.

2. For six weeks seventeen ICAF students under the direction of a senior faculty member, Dr. Stanley L. Falk, have been conducting research and participating in seminars with guest panelists from different parts of the Intelligence Community. The visit to CIA is the concluding session. Prior to their visit the students will have had discussions with senior intelligence officials, including Lt. Gen. Lew Allen, Director, NSA, Robert E. Morrison, Director of Management and Policy, Office of Assistant Secretary of Defense (Intelligence) and [redacted] Deputy Director for Collection and Surveillance, DIA. [redacted] will have spoken to the group earlier in the week on the organization and functions of CIA.

3. As preceding speakers during the day will have focused largely on the DCI's resource management role from the vantage point of the Intelligence Community as a whole and the support rendered by the D/DCI/IC and his Staff, you may wish to include some comments on the impact of this work upon the Agency. May I suggest that you speak for about 15 minutes and leave the remaining time for questions.

On file OSD release instructions apply.

Dear 

Per your request for clearances on those of us who will visit the Central Intelligence Agency on 19 April, I am inclosing a certificate of our TOP SECRET clearances. The list includes three faculty members and seventeen students. I am also including the standard biographies for all of us.

In addition to those listed on the certificate, Captain James W. Lucas, USAF, of the Defense Intelligence School, will also be in our group. Captain Lucas has assisted me in developing this study project, and, I understand, has been in touch with you directly concerning his clearance.

Thanks again for your continued fine support.

Sincerely,

STANLEY L. FALK  
Professor of International
